EURO-PAR
CONFERENCE 2019

NEW AT EURO-PAR 2019: POSTER TRACK

CLOSED

The poster track is targeted at work-in-progress reports.

We especially encourage students to submit their projects.

For the newly established Euro-Par poster track we invite short papers on ongoing projects on novel and original research covering subjects of parallel and distributed computing (for a detailed list of topics visit the Euro-Par website). Accepted papers will have to be personally presented in the Euro-Par poster session.

The poster call is especially aimed at young scientists. For young scientists with accepted papers Euro-Par will offer a mentoring session with the chance to discuss with established researchers.

SUBMISSION GUIDELINE FOR THE POSTER TRACK

- Paper Submissions must be in PDF format and should and must comprise 4 pages (including references).
- They must be formatted in the **LNCS style** (Download) of Springer Verlag.
- All submitted workshop papers will be peer-reviewed.
- Only contributions that are not submitted elsewhere or currently under review will be considered.
- Paper submission is handled electronically with **EasyChair**.
