DEAR PARTICIPANTS OF EURO-PAR 2019

Göttingen is a German university city with a long historical tradition - very vibrant, but rather small and convenient. We want you to enjoy the unique Göttingen spirit and feel at home in Göttingen during the Euro-Par. We would like you to have only short distances and to be familiar with our city. Therefore we have reserved contingents in hotels in downtown Göttingen which is not very large. All Euro-Par venues are within walking distance of these hotels.

For participants of the Euro-Par 2019 the hotels listed below offer special conditions.

*** Therefore, please mention the KEYWORD "EURO-PAR 2019" when booking. ***
Please book via email.
