

The map illustrates the geographical context of the EURO-PAR Conference 2019, centered in Göttingen, Germany. It shows a network of flight routes connecting Göttingen to major European hubs. Key airports shown include Hannover, Frankfurt, and Göttingen. The map also displays surrounding countries and cities, providing a clear overview of the conference's accessibility from various parts of Europe.

Göttingen is located at the most important north-south tangent of Germany, the A 7, and the new East-West connection, the A 38.
